FOCUS ON THE GOAL

PERFORMING ARTS

In the performing arts camp, students will have the opportunity to participate in drama, music and / or dance. Joy Schwarz, the worship director at Prairie Oak Community Church and former band teacher, will be providing leadership to the Performing Arts Team. We are excited about the new opportunities that will be available to students.

The performing arts camp is open to students entering grades 2 through 8.

GOLF / VOLLEYBALL

The golf camp was added last year to the Focus Camp and was a great success. Jacob Montgomery, former golf coach at White Bear Lake High School is leading this camp. Students will focus on skill and form development and will have an opportunity to golf at a local golf course. *This camp requires an additional \$20 green fee.*

The golf camp is open to students entering grades 4 through 9.

The volleyball camp (grades 2-8) is a new addition this year and is coordinated by Drew Rongere. Drew is well-known as a volleyball coach in our area. He has been the coach at Anoka-Ramsey Community college and is now moving on to coach at Totino Grace. He has a great passion for volleyball and for inspiring students to their best.

OUR FOCUS CAMP COMMITMENT

Our hope is that the Focus Camp will be the greatest week in your student's summer. We are committed to the Focus Camp being an excellent skills camp with qualified coached and staff. Last year, over 50 adults, university and college students volunteered full-time hours to invest in our Focus Camp students.. The overall experience of meeting students with different interests, being mentored by older students and adults, and understanding how biblical values tie into athletics and the performing arts make this a unique camp experience for every student.

BASKETBALL

The basketball camp is a great opportunity for students to enhance skill development as well as compete against other students. The basketball camp team is led by Robb Belschner, who has coached in the Osseo and Andover school districts. Robb leads a large and skilled team who will create an excellent experience for students. This year we will again secure inside gym space for hot afternoons.

The basketball camp is open to students entering grades 2 through 8.

Thursday Night Closing Celebration

One of the highlights of our camp is the closing night when parents and family members are invited to come and share in the experience of the camp. Our Thursday night celebration begins at 5:00 pm with dinner and closes with a program that will be completed no later than 7.00 pm.

The cost of the closing celebration for the camper and two guests is included in the camp fee. If more than two family members are attending, the additional cost per adult is \$6 and \$4 for children 10 and under.

Please indicate the total # attending (including the student) on your registration form. If you are unsure of the number, please tell us on the first day of camp.
